General Information:

The **KombiBox-2** (KB-2) can also be used in all vehicles where the **KB-1** is listed. As a rule, however, no persons can sit on the rear seat bench when the wheelbase is short.

If there is a **third row of seats** in the vehicle, this must be removed.

Identical in construction:

⁽¹⁾ Fiat Doblo II = Opel Combo D

⁽²⁾ Mercedes Citan = Nissan NV250 = Renault Kangoo II

⁽³⁾ Citroën Berlingo III = Opel Combo E = Peugeot Rifter = Toyota Proace City

⁽⁴⁾ Mercedes Citan '21 = Renault Kangoo III
