

Will the QUQUQ BOARD 110_42 fit in your car?

Here you'll find all the details you need to check whether the **BOARD 110_42** will fit in your car.

General information:

To secure the BOARD, there must be four lashing points (lashing eyes or other sturdy attachment points) in the boot. When unfolded, the bed platform is secured to the headrests of the driver's and front passenger's seats using straps. The BOARD can also be used without the rear seats, as it does not require any central support.

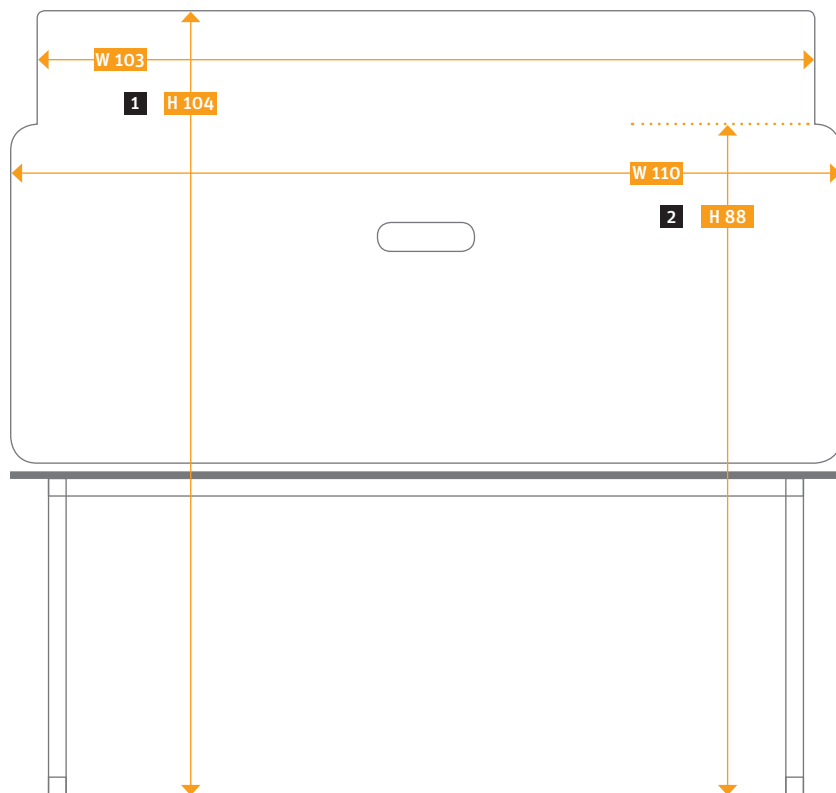

Any questions?
